

2029 the Beginning of the Revolution

In the spring of 2020, Cap made a presentation to a small group of students and professors who were interested in Fatima. Cap began her presentation. "Several years ago, I began working on reconstructing the Third Secret of Fatima. To my surprise, much was known about the Third Secret. All the Popes since Pius XII have read the secret along with their closest associates. Many others were aware of the contents. Over the years, a number of those people have revealed parts of the secret. I wrote a book about it called *Third Secret Composite*.

For example, Cardinal Ottaviani said that Russia is prominent in the secret. So, we know that Russia is mentioned by name. Cardinal Ciappi said that in the secret it is foretold that 'the great apostasy in the Church will begin at the top.' So, we know that the Secret deals with the great apostasy. And there are many others.

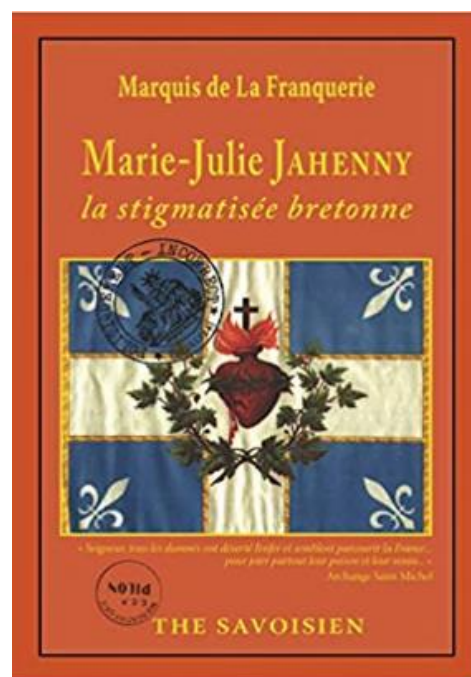

Afterwards, there was a lot of information left over which indicated what was going to happen when and in what sequence. God has tipped His hand again and again. I spent a few more years reading and working with the material.

Most Likely Scenario

It was like spreading puzzle pieces out on a table and then assembling them in a way that fit together. The picture which emerged is a most likely scenario of what is going to unfold over the next ten to fifteen years. I believe that it is the best scenario in the western hemisphere.

And Why have I done this? Jesus told Julie Jahenny that 'I want people to be prepared.' And that rang true with me. He said 'I want people not to be surprised.' We are about to enter the most tumultuous period of human history.

This scenario may not be entirely correct but I believe that most people would agree that this is a most likely scenario based on Fatima and the surrounding documents.

Most Predictable Event.

Rather than jump into a timeline, I would like to start with the most predictable event in our future. The European Civil War will begin in 2029. Here is the rationale.

Two great requests.

In the third apparition at Fatima in July of 1917, Mary said that She would come back to request the Consecration of Russia and the Communion of Reparation on First Saturdays.

Request for the Consecration of Russia.

Twelve years later, on June 13 1929, Sister Lucy was making a holy hour in the convent chapel between 11 pm and midnight. Sometimes she would lie prostrate on the chapel floor. Other times, she would kneel with her arms in the form of a cross. While she was praying, a supernatural light illuminated the chapel. In the midst of a vision about the Holy Trinity, Our Lady of Fatima appeared. She held Her Immaculate Heart in her left hand. It was surrounded by a crown of thorns and flames. She said, 'The moment has come when God asks the Holy Father, to make, with all the bishops of the world, the consecration of Russia to My Immaculate Heart, promising to save it by this means. ^{i ii}

To understand the implication, one has to go back three and a half centuries to a convent in Burgundy. Sister Margaret Mary Alacoque communicated to the King of France that Jesus desired that France be consecrated to His Sacred Heart and an image of His Sacred Heart be inscribed on the national flag. If the King would do so, the king was promised success in his endeavors and victory over his enemies. The king did not do so. His reign and the reign of his successors experienced a succession of military failures, deepening debt and onerous taxes. One hundred years later, to the day, the French Revolution began.

One-hundred-year rule.

St Gregory said that to God, 100 was the perfect number. For this reason, Jesus left the 99 to find the one lost sheep. He gave the King of France one hundred years to obey his request. Then he withdrew the request and civil war followed.

In 1929, a similar request was made. Our Lady asked for the Consecration of Russia to Her Immaculate Heart. The cloistered nun to whom the request was made was Sister Lucy. The country to be consecrated was Russia. The sovereign of whom the consecration was requested was the pope. Similarly, the county was not consecrated.

Like the King of France.

Later Jesus Himself told Lucy, that 'like the King of France' the pope would suffer. By saying 'like the King of France', Jesus is suggesting that He is going to exercise His Justice in the same way. ⁱⁱⁱ He will give the pope 100 years. And when it is over, a civil war will begin. With the King of France, one country fell into civil war. With this sovereign, it is Europe which will fall into civil war.

Fighting in the streets

At La Salette, the Madonna said that 'God will strike in an unprecedented way. Woe to the inhabitants of the earth! God will exhaust His wrath upon them, and no one will be able to escape so many afflictions together... 'All the civil governments will have one and the same plan, which will be to abolish and do away with every religious principle, to make way for materialism, atheism, spiritualism, and vice of all kinds...France, Italy, Spain and England will be at war. Blood will flow in the streets. Frenchmen will fight Frenchmen, Italian will fight Italian, a general war will follow which will be appalling.'

We can expect civil war to begin in Europe in 2029.

Jahenny said that the mass shall cease to exist for a time. 'All the works approved by the infallible Church will cease to exist as they are today for a time. In this sorrowful annihilation, brilliant signs will be manifested on earth.'

Someone asked the question, why do you say that this is the most likely scenario in the western hemisphere. Cap answered that she had searched the Fatima literature for years for a plausible timeline and found none. So, she made one herself. But, she hadn't read all of the untranslated documents in Europe. The mystic tradition of Europe was an ocean from which she had drawn information. But, that ocean was many fathoms deeper than her net.
