

## 2025 A Great Sign Appeared in Heaven

### *Second Most Predictable Event*

After a small break, Cap continued. “The second most predictable event in the Fatima story brings us to 2025.

In 1925, Lucy was an eighteen-year-old postulant of the Dorothean Sisters at the convent in Pontevedra. After supper on Thursday December 10, Lucy was visited by Our Lady and the Child Jesus. Lucy wrote in the third person, ‘The Most Holy Virgin appeared to her, and by Her side, elevated on a luminous cloud, was the Child Jesus. The Most Holy Virgin stood so near to Lucy in her small cell that She rested Her hand upon Lucy’s shoulder.’<sup>i</sup>

### *A Heart Encircled by Thorns*

And as She did so, She showed her a heart encircled by thorns, which She was holding in Her other hand. At the same time, the Child said ‘Have compassion on the heart of your Most Holy Mother, covered with Thorns, with which ungrateful men pierce It at every moment. And there is no one to make an act of reparation to remove them.’

Then the Most Holy Virgin said, ‘Look, My daughter, at My Heart, surrounded with thorns with which ungrateful men pierce me at every moment by their blasphemies and ingratitude. You at least try to console me and announce in My name that I promise to assist at the moment of death, with all the graces necessary for salvation, all those who, on the First Saturday of five consecutive months shall confess, receive Holy Communion, recite five decades of the Rosary, and keep Me company for 15 minutes while meditating on the fifteen mysteries of the Rosary, with the intention of making reparation to Me.”

Cap told her audience that “The hundred-year precedent has been set. The question is what great event will mark the hundredth anniversary of Her Request.

### *Malachi Martin*

Now comes a priest named Malachi Martin. He was a brilliant young priest who had been an assistant to Cardinal Bea in 1960 when the Third Secret was supposed to have been revealed. Martin had seen the Third Secret in his capacity as Bea’s assistant.

Martin wrote a book about John Paul II titled *Keys of This Blood*. Martin made some remarkable statements. He wrote that we were fast approaching a great event in human history. A magnificent solar event that would stand alone. He said that John Paul II was waiting “for an event that will fission human history, splitting the immediate past from the oncoming future. ... It will particularly involve our human sun, but on the day of this event, it will not appear merely as the master star of our so-called solar system. Rather, it will be seen as the circumambient glory of the Woman whom the apostle describes as “clothed with the sun” and giving birth to “a child who will rule the nations with a scepter of iron.””

John Paul II studied Lucy’s notebooks while he was recovering from his gunshot wound. Therefore, the great celestial event is mentioned in the third secret or in Sister Lucy’s notebooks.

This is a vision fresh from John Paul’s reading of the Third Secret and from reading Lucy’s notebooks while he was recovering.

The words ‘Fission’ and ‘Circumambient’ and visible all over the world suggest an explosive solar event which will illuminate our solar system. It will fill the night sky with light and it brighten the day.

#### *Signum Magnum, the Great Sign*

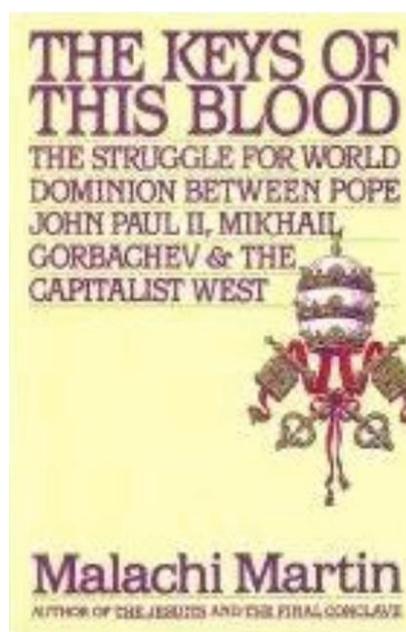

Martin believes that this will be the “Signum Magnum,” the Great Sign of the Book of Revelation. The significance of this can hardly be expressed. People have been reading or hearing about the Great Sign for nearly 2000 years. We will have the honor of personally witnessing the Great Sign.

#### *Stand Alone*

In terms of size, this solar event will be larger than anything in history. Martin said that it would stand alone in human history. Which means that it will be significantly larger than the Carrington Event of 1859. If a Carrington Event could knock out power for weeks or months, then a significantly larger event could knock out power for months or years.

#### *Prime Candidate*

If you accept the premise that the great day of light will be the Great Sign, and that the Great Sign will be in the near future, then when will it be? There is no other date which comes close to being a candidate.

### *Crown of Twelve Stars*

Someone in her audience asked “What about the crown of twelve stars?” Cap answered, “In the book of the Apocalypse, it says ‘And there appeared a great sign in heaven; a woman clothed with the sun, and the moon under her feet, and on her head a crown of twelve stars.’ It is a poetic way of saying the whole sky.

### *Zodiacal Cloud*

There is a disk of interplanetary dust called the zodiacal cloud. The faint light within this cloud is called zodiacal light. If the sun jumps in illumination, the whole interplanetary cloud will light up. It will look like a bright band of light which stretches all the way across the major constellations of the night sky.

### *An issue of Honor.*

It is an issue of Honor. Mary has not been honored as Jesus intended. So, He will honor her Himself. In the fullness of time, He will Crown His Mother with a magnificent Aurora. One hundred years from the request for the First Saturdays of Reparation, on December 10, 2025, God Himself will step in and crown Our Lady with a Great Sign unlike any other in the history of mankind.

### *Beside*

Cap continued. “Mary asked for the Consecration of Russia just as Jesus had asked for the Consecration of France. Neither would be obeyed. Later, Jesus told Lucy that he wished to ‘put the devotion to This Immaculate Heart beside devotion to My Sacred Heart.”<sup>ii</sup>

The word ‘beside’ implies equal treatment. It implies that the hundred-year rule will also be applied here. In both cases, 2025 and 2029, the hundredth anniversary will be occasioned by a significant event. There is good reason to think that He will honor the Request for the First Saturdays by applying the hundred-year rule as He will do in 2029. If so, then one hundred years from December 10, 1925, an event will Honor the mother of Jesus.

### *Core paragraph.*

In “*The Whole Truth about Fatima*”, there is an outstanding paragraph. Frere Michel said that ‘since God has decided to manifest more and more His great design of love, which is to grant all graces to men through the mediation of the Immaculate Virgin, it seems that their refusal to submit with docility to what God wills is a fault which most gravely wounds His Heart. And, for which He no longer finds in Himself any inclination to pardon them. This sin seems unforgivable because for Our Savior, there is no crime more unpardonable than to despise His Most Holy Mother and to outrage Her Immaculate Heart, which is the sanctuary of the Holy Spirit. This is committing ‘the blasphemy against the Holy Spirit, which will not be forgiven in this life or the next.’”<sup>iii</sup>

Cap continued. "These are serious words. In my estimation, this is the core paragraph in the whole study which is the four volumes of *The Whole Truth about Fatima*. We are in the midst of an existential showdown. You may expect to see a Great Sign in December 2025.

Section II Chapter 6 part IV. Conversion, Reparation and Consecration to the Immaculate Heart of Mary. Our Lord responded: «Because I want My whole Church to recognize that consecration as a triumph of the Immaculate Heart of Mary, to extend its cult later on and place devotion to this Immaculate Heart beside the devotion to My Divine Heart... The Immaculate Heart of Mary will save Russia. It has been confided to Her.
