

## 2024 Earthquakes

### *Next most predictable*

Cap continued her presentation. The next most predictable event is that a great earthquake will occur in 2024. She distributed copies of a map to the group. It was a composite map which was based on respected American clairvoyants. "This is what America might look like.

Lucy once said that the Third Secret had to do with Chapters Eight through Thirteen in Apocalypse. Chapter Eight speaks of a great earthquake. Let us suppose that the earthquake will happen in the year 2024, the year before 2025.

Here is an excerpt from Chapter Eight. An 'angel came, and stood before the altar, with a golden censer; and much incense, that he should offer of the prayers of all saints upon the golden altar, which is before the throne of God. And the smoke of the incense of the prayers of the saints ascended up before God from the hand of the angel. And the angel took the censer, and filled it with the fire of the altar, and cast it on the earth, and there were thunders and voices and a great earthquake.'<sup>i</sup> Then follow the trumpets and tribulations.

Malachi Martin wrote in *Keys of This Blood* that the tribulations follow the Great Sign. In the most likely scenario, the order of events would be Earthquake, Great Sign and then tribulations.

Note that the text says a Great earthquake. It is safe to say that if St John is calling it a Great earthquake, it will be the biggest in 2000 years.

## *St Hildegard*

St Hildegard of Bingen lived in the twelfth century in western Germany. Hildegard wrote that “Before the comet comes, many nations, the good excepted, will be scourged by want and famine. The great nation in the ocean that is inhabited by people of different tribes and descent will be devastated by earthquake, storm, and tidal wave. It will be divided and, in great part, submerged. That nation will also have many misfortunes at sea and lose her colonies. All coastal cities will live in fear, and many of them will be destroyed by tidal waves.”

Pope Benedict recently declared Hildegard a doctor of the church. Benedict is a master of Romanita, the roman art of understatement and nuance. By making Hildegard a doctor, he was adding credibility to this, her most famous prophecy. Benedict was giving away part of the secret.

This is a power packed paragraph for America. First, America uniquely fits the description of the ‘great nation in the ocean that is inhabited by people of different tribes and descent.’ Secondly, it is going to be torn in half. There will be an East America and a West America.

### *Largely Submerged.*

It gets worse. Hildegard says that the great nation will be ‘largely submerged.’ Eastern America will be an island. I showed this map to a woman in Texas. She observed with surprise that 90% of the population of American lives in areas which are underwater on this map.

### *Devastated.*

The country will be ‘devastated by earthquake, storm, and tidal wave.’ America will be destroyed. Most of our infrastructure will be underwater.

### *Tidal Waves*

Hildegard says tidal waves and misfortunes at sea. Our ships will be rolled over by the tidal waves.

### *Lose her colonies.*

‘America will lose her colonies.’ Most people do not realize that we have a 800 military bases around the world. We will lose our harbors in the submersion. The flow of supplies to ships and soldiers overseas will be interrupted.

### *Terrible, says Sister Lucy*

One must ask, Is this compatible with Sister Lucy? Sister Lucy said the Chastisement would be Celestial. In 1957, Sister Lucy was ordered to break her silence and speak openly with the postulator for the cause of the beatification of Francisco and Jacinta. She told Father Fuentes, "Believe me Father, God is going to chastise the world and it will be in a terrible manner. The celestial Chastisement is imminent."

### *Angel Touches Earth's Axis*

Sister Lucy's community recently released an excerpt from her notebooks. Sister Lucy wrote about the time in 1944 when she struggled to write down the secret. She felt the friendly hand of the Madonna upon her shoulder and then Sister Lucy was shown a vision. 'The point of the flame-like lance which detaches, touches the axis of the earth and it [the earth] shakes: mountains, cities, towns and villages with their inhabitants are buried. The sea, rivers and clouds leave their bounds, they overflow, flood and drag with them into a whirlpool, houses and people in a number unable to be counted; It is the purification of the world from the sin it is immersed in. Hatred (and) ambition, cause destructive wars.'

The vision describes an angel with a fiery lance who is sent to punish the world. The tip of the lance touches the axis of the earth and disturbs its rotation. Seas and lakes travel across the landscape. Storms whip the countryside. Violent winds topple houses and barns. Cities and peoples are swept away by the waters. I believe this describes the earthquake of the Seventh Trumpet but it gives some sense of what it will be like to be visited by an earthquake in these times.

### *America missing from prophecies*

There is something odd about America and the field of prophecy. The odd thing is that old prophecies about America are largely missing. There are hundreds maybe thousands of prophecies about France, Italy and Germany, but it is hard to find anything about America.

Sister Aiello foresaw that in World War Three Russia would attack America at the same time at which Russia invaded Europe.

Alois Irlmaier, a modern German seer from the 50's said that the Chinese will attack Alaska and Canada when the Russians attack Europe.

Gottfried von Wardenberg, a contemporary German seer, said that America and Canada would be devastated in that war.

But Aiello, Alois and von Werdenberg are all recent. They lived post Fatima. In the time before Fatima, there is an emptiness except for Hildegard. America is not mentioned. Which is one of two things. Either we didn't make the grade or during the great events, we are much reduced in size and population.

### *The Comet*

Cap explained that when Benedict made Hildegard a doctor of the Church, He was sending a message that Hildegard had something valuable to teach us. One teaching was about the Great Nation in the Sea. Another teaching, of worldwide significance, was about the comet. "The Comet by its tremendous pressure, will force much out of the ocean and flood many countries, causing much want and many plagues. [After the] great Comet, the great nation will be devastated by earthquakes, storms, and great waves of water, causing much want and plagues. The ocean will also flood many other countries."

Cap told the group, "Benedict has indirectly sent a personal message to each of us. We have a comet in our future.

### *Something Approaching Us*

I would like to tell about on radio interview which touches on the same subject. Malachi Martin was a writer and priest who had read the Third Secret. He told Art Bell on Bell's radio program that there is something approaching us in space. It happened like this. Art Bell had a well-known late-night radio program called Coast to Coast Radio. Bell liked Malachi Martin and had him on his program a number of times. In 1997, Bell asked why the Vatican had "muscled" its way into an observatory on Mt Graham Arizona in order to look at things in deep space. Martin answered that the highest level of the Vatican knew that there was something approaching us from deep space. Bell complimented Martin on his carefully chosen words. Which means that Martin knew that something was approaching us and the Vatican knew that something was approaching us and even Bell knew that something was approaching us.

### *More than a comet*

I would venture an educated guess that the approaching entity is more than an comet. Hildegard was speaking in the vocabulary of her times. It is more than an ordinary comet. It is a small star. The mystic stigmatist Julia Jahenny called it a radiant star.
