

## 2031 The Neues Europa version of the Third Secret of Fatima

When Diamond returned from the commercial break, he spoke about the Neues Europa version of the Third Secret of Fatima.

Diamond: “Welcome back to Coast to Coast Radio. For the sake of our listeners, I would like to refer back to something mentioned earlier in the broadcast, the Neues Europa version of the Third Secret of Fatima. In 1963, Neues Europa, a German newspaper, published a version of the Third Secret. Although there are a number of reasonable objections to this version, there are reasons to give it some credence.

“In the third volume of *The Whole Truth about Fatima*, it is written that the Neues Europa version corresponds to the truth. Here is the quote: ‘In 1971, the Fatima expert Father Messias Dias Coelho said that he was hesitant to reject the Neues Europa Third Secret as false, for two reasons: ‘The affirmation recently made to me by an eminent Cardinal, whose name we will keep secret for the moment. According to him, the text in question contains some exaggerations (which we had already noted in 1964), but fundamentally it corresponds to the truth. Second, the fact that the central nucleus of the text in question, as moreover everybody recognizes, is the prediction of a future climate of division within the Church, a prophecy which was unbelievable eight years ago (the publication of Neues Europa dates from 1963), but is a reality today! ‘

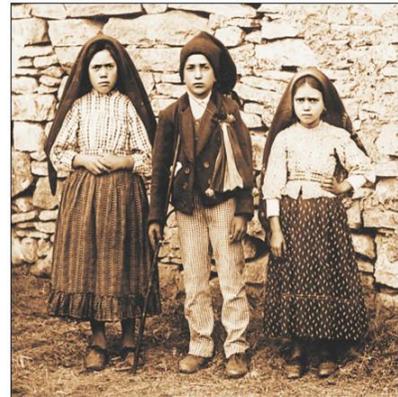

“The ‘eminent Cardinal’ was Cardinal Ottaviani, who gave the endorsement of the article in the German publication Neues Europa in 1963. According to Father Coelho, Cardinal Ottaviani said that the Neues Europa Third Secret fundamentally “corresponds to the truth.” Regarding the text printed by Neues Europa, Cardinal Ottaviani reportedly exclaimed, “Publish 10,000 copies! Publish 20,000 copies! Publish 30,000 copies!” (personal testimony of Msgr. Corrado Balducci. This fact is also attested to by Marco Tosatti in his book *Il Segreto Non Svelato*, (The Secret Not Revealed), Edizioni Piemme Spa, Casale Monferrato, Italy, May 2002, p. 86). Cardinal Ottaviani read the real Third Secret, as he himself affirmed on February 11, 1967, during a press conference at the time of a meeting of the Pontifical Marian Academy in Rome: “I, who have had the grace and the gift to read the text of the Secret—although I too am held to secrecy

because I am bound by the Secret..." (The Whole Truth About Fatima, Vol. III, Brother Michel of the Holy Trinity, p. 727).

Here is the "extract" of the alleged Third Secret of Fatima that was published by Neues Europa, a German newspaper in 1963:

"It was the thirteenth of October, 1917. On that day, the Holy Virgin appeared for the last time to the little visionaries, Jacinta, Francisco, and Lucy, at the end of a series of six apparitions in all. After the manifestation of the miracle of the sun at Fatima, the Mother of God revealed a special secret message to Lucy, in which She particularly stated:

*Neues Europa version of the Third Secret:*

"Don't worry, dear child. I am the Mother of God speaking to you and begging you to proclaim in My name the following message to the entire world. In doing this, you will meet great hostility. But, be steadfast in the Faith and you will overcome this hostility. Listen, and note well what I say to you: Men must become better. They must implore the remission of the sins which they have committed, and will continue to commit. You ask Me for a miraculous sign so that all may understand the words in which, through you, I address mankind. This miracle which you have just seen was the great miracle of the sun! Everyone has seen it – believers and unbelievers, country and city dwellers, scholars and journalists, laymen and priests. And now, announce this in My name:

"A great punishment shall come to all mankind, not today as yet, nor even tomorrow, but in the second half of the 20th Century. What I have already made known at La Salette through the children Melanie and Maximin, I repeat today before you. Mankind has not developed as God expected. Mankind has gone astray and has trampled underfoot the gifts which were given it. There is no order in anything. Even in the highest positions, it is Satan who governs and decides how affairs are to be conducted. He will even know how to find his way to the highest positions in the Church. He will succeed in sowing confusion in the minds of the great scientists who

invent arms, with which half of humanity can be destroyed in a few minutes. If mankind does not refrain from wrongdoing and be converted, I shall be forced to let fall My Son's arm. If those at the top, in the world and in the Church, do not oppose these ways, it is I who shall do so, and I shall pray God My Father to visit His justice on mankind.

There will also come a time of the hardest trials for the Church. Cardinals will be against Cardinals and bishops against bishops. Satan will put himself in their midst. In Rome, also, there will be big changes. What is rotten will fall, and what will fall must not be maintained. The Church will be darkened and the world plunged into confusion.

God will punish men still more powerfully and harshly than He did by means of the Flood, and the great and powerful will perish just as much as the small and the weak.

The greatest World War will happen in the second half of the 20th Century. Then fire and smoke will fall from the sky, and the waters of the oceans will be turned to steam, hurling their foam towards the sky; and all that is standing will be cast down. Millions and millions of men will lose their lives from one hour to the next, and those who remain living will envy those who are dead. There will be tribulation as far as the eye can see, and misery all over the earth and desolation in every country.

The time is continually approaching, the abyss is growing wider, and there is no end in sight. The good will die with the wicked, the big with the small, the princes of the Church with their subjects. Satan's henchmen will then be the only sovereigns on earth.

This will be a time which neither king nor emperor, Cardinal nor bishop expects, but it will come, nevertheless, in accordance with My Father's plan to punish and take vengeance. Later, however, when those who survive all this are still alive, God and His glory will once more be invoked, and He will once more be served as He was, not so long ago, when the world had not yet become corrupted.

I call on all true imitators of My Son, Jesus Christ, all true Christians and apostles of the latter days! The time of times is coming and the end of everything, if mankind is not converted, and if this conversion does not come from above, from the leaders of the world and the leaders of the

Church. But woe! Woe if this conversion does not come about, and if all remains as it is, nay, if all becomes even worse!

“Go, My child and proclaim this! I shall always remain by your side to help you.”

Diamond: There ends the Neues Europa version of the Third Secret. So, some of those sentences belong to the Secret and some do not?” Cap: “Correct. Some of the sentences are derived from the Third Secret.”

### *God’s Calendar*

Diamond: “It says that World War III will be in the second half of the 20th Century. So that part is incorrect, yes?” “Cap: “Not necessarily” Diamond: “How could it be otherwise?” Cap: “I think that that the Third Secret has no mention of the 20th Century. But, while we are on the subject of a date, I would like to make a comment. A number of reliable people thought that great events would be over by the year 2000. Martin was one of them. He said so on the Art Bell show. It depends how you count. Our calendar counts from the birth of Jesus. But, God might see it differently. What is the most important event in human history from a Christian perspective? For most of the history, humanity was a prisoner. Shut out of heaven. Trapped. The gates of heaven were closed. Man could not get to heaven.

When Jesus rose on the third day, He opened the gates of heaven.

From God’s perspective, the big change in man’s condition, occurred in the year 33. We use the AD calendar. AD as in Anno Domini, counting from the year of the birth of Dominus, the Lord. It may be

that God uses the AMD calendar, Anno Mori Domini, counting from the Year of the Death of Dominus. In which case, the year 2000 AMD will not arrive till our year 2033. We still have time for great events to play out. It also fits, I might add, very neatly with the most likely scenario as I see it.

Commercial break. When Diamond returns, he asks Cap to walk through her version of the Third Secret.

## *The First Four Lines*

Cap: “Let’s look at the first four lines. But, first it would be good to backup and understand the origin of the Third Secret. In 1917, the Madonna appeared to three shepherd children in a lonely field outside Fatima, Portugal. The third apparition, on July 13, lasted about twelve minutes. Lucy, the oldest, asked the Madonna to perform a miracle so that people could believe that the Madonna was appearing. The Madonna agreed to provide a miracle. Lucy then made some requests on behalf of some of the village people. The Madonna responded to the requests. The Madonna spoke for a couple minutes and then pointed to the earth. The earth opened and the children saw a vision of hell. The vision nearly killed them. The Madonna spoke for a few more minutes and then showed the children a vision of a city half in ruins and a Bishop in white who is killed by soldiers and a crowd. Then, the Madonna explained the vision. Lucy wrote down the words of the Madonna in 1944 on a small sheet of paper. That slip of paper is the famous Third Secret. So, the question is, what did the Madonna say to the children after She showed them the Vision of the Pope and his entourage being killed in a ruined city.

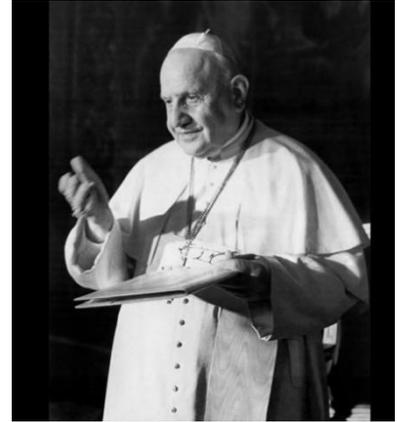

“I would like to go out on a limb and suggest that the first four lines of the Third Secret are nearly identical to the first four lines of the what is called the Second Secret. A few minutes earlier, the Madonna had shown the children a vision of hell.<sup>i</sup> It was later called the second secret because the children were told by Our Lady not to speak of it.

### *First line*

“The first line naturally enough introduces the explanation. When the Madonna showed the children a vision of hell, She said “You saw hell where the souls of poor sinners go.” One can reasonably assume that the Madonna used the same expression, “You saw ...”, a couple minutes later, after showing the children the vision of the city in ruins and the Bishop in White. She used the same introductory words because there is a harmony and a natural way in which she speaks to the children. The first line is “You saw the ruin of the world.”

“The word **ruin** well describes the scene which the children witness. Lucy herself used the word ruin in describing the Vision of the Bishop in White in a “city half in ruins.” <sup>ii</sup>

“Pope John XXIII, the pope who opened the envelop and should have released the Secret, also used the word ruin in connection with the third secret. The Secret weighed heavily upon him. In his Opening Speech to Vatican II, he wished to separate himself from those who foresaw trouble ahead. Several of his associates had read the Secret with him. He assumed that a couple dozen more had been told the contents verbatim and that many more had the general idea. He felt it necessary to counter the pessimism of the Third Secret. Therefore in denying that pessimism, he chose to use the word most associated with the first line of the secret. He attacked those who saw “ruin and calamity.” <sup>iii</sup>

### *Second line*

The second line in the Second Secret is “In order to save them, God wishes to establish in the world devotion to My Immaculate Heart.” The second line of the Third Secret is, I believe, “**To** prevent this, God wished to establish the Communion of Reparation on First Saturdays.” *The third line.*

The third line of the second Secret is “If people will do what I ask, many souls will be saved and there will be peace.” The third line of the Third Secret says “If people had attended to my requests, many souls would have been saved.

The fourth line of the Third Secret is shocking. “Because they did not, the devil will infiltrate the Church and mount the throne of St Peter.”

Diamond: “Infiltrate the Church?” Cap: “It agrees with what Cardinal Ciappi said, that ‘the great apostasy in the Church will begin at the top.’”

It also agrees with another important item which was said about the Secret and it happened to have been said on this program. Toward the end of the Art Bell Interview mentioned earlier, a listener called in. He said that a Jesuit confided to him that the Secret spoke of a Pope who “would be under the control of Satan. Pope John was reeling, thinking that it could have been him.” Father Martin responded: “Yes, it seems that this person would have had a means of reading or would have been given the contents of the Secret.” Martin seems to be saying that the Secret says that there would be a Pope who would be under the control of Satan. And further, Martin had said a few minutes earlier in the interview that if someone called in and recited all or part of the Secret, he would admit that it was true. So he found himself in the position of having to admit that the words of a Pope “under the control of Satan” correspond to the Secret. Your predecessor was stunned. I have listened to the audiotape of that interview and Art Bell was taken aback. If you would like to listen to it, the title on YouTube is “Art Bell Interviews Malachi Martin (7 of 7)”. It was Bell’s last interview with Malachi Martin. It occurs one hour and forty-six minutes into the interview. It is really something to hear the way Art Bells responds. In dire tones, he says “Oh, My.” Up to that point, he thought that the Secret concerned chastisements. Then suddenly, he learned that the Secret primarily concerned the subversion of the Church. And the subversion of souls.

It was a historic moment. After years of carefully keeping the secret, Martin gave away part of the secret.

Father Paul Kramer who wrote *Mystery of Iniquity*, said that when John XXIII read the secret, he turned white and nearly fainted. <sup>iv</sup>

Remember, Sister Lucy herself said that the devil had infiltrated the Church. She wrote to a friend that “It is painful to see such a great disorientation in so many persons who occupy places of responsibility...It is because the devil has infiltrated evil under cover of good.” <sup>v</sup>

Many believe that it is possible that John XXIII meant well in his effort to reform the Church, but the effort was used by the devil to further his fight against God and souls.

Diamond: Do you think that the Devil has infiltrated the

Church? Cap: "It is plausible. St Theresa of Avila said that the Devil showed her a vision of hell. The floor of hell was paved with the skulls of priests. To be a priest is to walk a dangerous path.

### *Not My Pontificate*

Diamond listened as Cap continued. "Pope John XXIII said that the Third Secret did not refer to his pontificate. In the context in which he spoke, this suggests that the secret was saying something negative about someone's pontificate and that it seemed to point to him. He was in effect saying "it is not about me. I am not the one it is talking about." But, it was still too close for comfort. This is the likely reason that John XXIII chose not to publish the secret. It pointed to him. The Third Secret stands alone as the one Marian apparition which has been suppressed.

Diamond: "What do you think was Pope John's attitude? Cap: "In his apartment as he was dying, as he walked the halls at night, he was heard to say, "What did I do, my God, what did I do!"<sup>vi</sup>

The last of the great apparitions was Akita. At Akita, Our Lady spoke the same words. "The devil will infiltrate the Church." Cardinal Ratzinger said that the message of Akita is essentially the same as the content of the Third Secret.

In a taped interview with Bernard Janzen, Fr. Martin was asked the following question: "Who are the people who are working so hard to suppress Fatima?" Fr. Martin responded, "A bunch, a whole bunch, of Catholic prelates in Rome, who belong to Satan. They're servants of Satan. And the servants of Satan outside the Church, in various organizations; they want to destroy the Catholicism of the Church, and keep it as a stabilizing factor in human affairs. It's an alliance. A dirty alliance, a filthy alliance, but a very good (meaning effective) alliance."

Diamond: How did Martin come to read the Third Secret?

Cap: "There has always been some mystery about that. Martin never told the full story. I believe he held back in order to protect a confidence. I have been told that he was correct when he said that he saw the secret. There is a secret about how Martin came to see the Third Secret. The secret is this: He saw the Secret because he wrote it down upon Cardinal Bea's

instruction. He saw the Secret as he wrote it. He held it in his hand before he handed it back to Cardinal Bea.

It happened like this. Pope John XXIII, summoned a few of his closest advisors to show them the Secret. They discussed it at some length. This was arguably the most important document of the twentieth century. The fate of the Europe and the World depended upon it. They poured over the message sentence by sentence, phrase by phrase, word by word. They knew that they were looking at the greatest secret in the history of the world.

It was written in Portuguese. At one point, they summoned two Portuguese seminarians to help them with a couple local expressions. Remember, the Madonna spoke to three young shepherds in their local tongue.

Meanwhile, Martin said he was 'cooling his heels' in the hallway outside waiting for Cardinal. This would not have been a short meeting.

My understanding is that when Cardinal Bea got into the car, he instructed Martin to take notes, as was often the case. Martin was Bea's assistant.

Every word of the Secret was etched in Bea's memory. Bea had an excellent memory. And these unusual circumstances made it easy to recall every word. Bea was disturbed. The fate of the world hung in the balance. He was under oath not to propagate the Secret. He was expected to wrestle with what he had just heard and get back to the pope with his advice.

So, Bea swung into the back seat and said to Martin, 'write this down'. And he proceeded to dictate the Secret. Martin saw the secret as he wrote it, word for word. And he handed it to Bea. Martin was shocked by the contents. They discussed the Secret. Martin was under an oath of silence in respect to his conversations with Bea. Bea described the reaction of the different advisors. The group didn't accept the validity of the message. Rather than directly discredit Fatima, John chose to say that Secret did not refer to his pontificate.

Martin spoke several languages. He also remembered every word. He kept the Secret. And, he protected Cardinal Bea's having shared with him the Secret. Martin had been stamped for life by the Secret.

## *Lamentation*

Diamond: "What is the overall mood of the Secret?"

Cap: "I think that the Third Secret is a lament on the part of the Madonna about humanity not having responded to Her requests, and a description of what will have happened as a result. It is an expression of Her overwhelming regret at the loss of souls and a warning that trouble was coming. Sister Lucy said she never saw Our Lady smile. In the Fuentes interview, Sister Lucy said that the message that was supposed to be opened in 1960 'will be very sad for everyone, not one person will rejoice.' Meaning, we are all headed for trouble.

## *The letter of 1982*

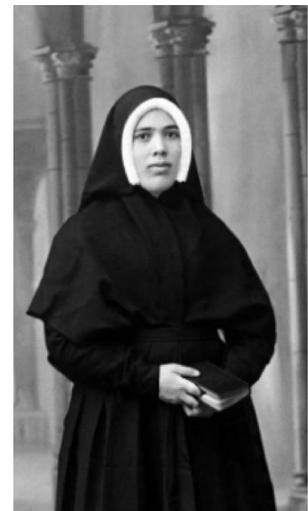

Diamond: "That the Devil has infiltrated the Church is such a big claim."

Cap: "I recognize that many will find it difficult to accept that the devil has infiltrated the Church. At this point, I would like to make a statement in my own defense. I call as my witness Lucy of Fatima. On May 12, 1982, Lucy wrote a letter to the Holy Father, probably at his request. It was later released when the Vatican released the Vision of the Bishop in White. It consisted of four paragraphs. Lucy began,

The Third part of the Secret refers to Our Lady words 'If not, Russia will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated.'

Lucy continued, "The Third part of the Secret is a symbolic revelation, referring to this part of the Message. Conditioned by whether we accept or not what the Message itself asks of us: 'If My requests are heeded, Russia will be converted, and there will be peace; if not, she will spread her errors throughout the world, etc.'

Since we did not heed this appeal of the message, we see that it has been fulfilled, Russia has invaded the world with her errors. And, if we have not yet seen the

fulfillment of the final part of this prophecy, we are going toward it little by little with great strides. If we do not reject the path of sin, hatred, revenge, injustice, violation of the rights of the human person, immorality, violence, etc.’

And let us not say that it is God who is punishing us in this way. On the contrary, it is people themselves who are preparing their own punishment. In His kindness, God warns us and calls us to the right path, while respecting the freedom He has given us, hence people are responsible.’ This ends Lucy’ letter to John Paul II.

Cap then said “What is remarkable about this letter is that Lucy is writing directly about the contents of the Third Secret. It was written on the day before John Paul II’s Mass at Fatima, in which he publicly thanked the Madonna for sparing his life in the assassination attempt one year earlier. One may assume that the Pope met with Lucy and encouraged her to write this letter. The politics of the situation was that Pope John Paul wanted to release the secret. The anti-Fatima party did not.

### *Colossal Punishment*

Diamond: “Could you summarize this?” Cap: “Lucy makes it clear that the third secret is about a Colossal Punishment which God will visit upon humanity. But, not to blame God, because we have brought it on ourselves.

### *Negative Branch*

In the first two paragraphs, Lucy is saying that the Secret focuses on what will happen because we have not responded to the Madonna’s requests. In the second part of the Secret, the Madonna said in effect that if people will do what She requests, good things would happen. And if not, bad things would happen. The Third Secret concerns the bad things which would happen because the world had taken the negative branch of the fork in the road.

It is remarkable that the Madonna made an offer to humanity and almost no one knows about it. It was backed up by the most witnessed miracle in human history. Yet, it has been buried. And, those who buried the Secret are a group of men in the Church. They are not the Church, as

Martin points out. This is the reason that Martin says that some people would be angry if they knew the contents of the Secret.

*We did not respond.*

In the third paragraph, Lucy is saying that “Since we did not heed this appeal of the message,” we must now face the consequences. Russia has invaded the world with her errors. The natural effect of those errors is a train of consequences, which we are experiencing now. Little by little, we move closer to the final fulfillment of the Third Secret. We are making great strides in moral disintegration. We are traveling along the path of sin. The final fulfillment will be a universal convulsion in which are dominant the conditions of “hatred, revenge, injustice, violation of the rights of the human person, immorality, violence, etc.”

Cap: “Lucy is saying: The Third Secret is about ‘wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated.’ And it is expressed in a conditional sentence: ‘If My requests are not heeded.’ And going one step further, one would ask what are Her requests. They occur one sentence earlier in the apparition. The Madonna asked for the ‘the consecration of Russia to My Immaculate Heart, and the Communion of Reparation on the First Saturdays’.

If these ideas are reassembled in regular speech, Lucy is saying that the Third Secret expresses the following idea: If My requests are not heeded for the Consecration of Russia to My Immaculate Heart, and for the Communion of Reparation on the First Saturdays, then we shall see wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; In the midst of natural cataclysms, various nations will be annihilated.’

*Disappearance of land masses.*

Diamond: “So this is the Third Secret?” Cap: “This an abbreviated version of the Third Secret. The 250 words of the Third Secret provide more detail. If you abbreviate the message further, the Third Secret is about war and the disappearance of land masses. But, the worst part of it is that the devil will infiltrate the Church. And, heaven will be lost for innumerable souls.”

Diamond: “So, God is unhappy with the world?” Cap: “Yes, in fact there is an interesting story that goes along with that. It has to do with the word Cadavers.

Diamond: "Cadavers?" Cap: "Yes, Cadavers. In the Vision, the bishop in white passes a large number of bodies on his way up the hill. Lucy used the word cadavers. The word cadavers is used in the old testament only twice. In each case, to describe apostates. So, it could be said that the Vision begins with a world half in ruins, of wide spread apostasy and war. First comes the apostasy, a worldwide loss of faith. Then comes war, then the killing of the Pope, the clergy and the laity.

### *Pluperfect*

One of the overlooked aspects of the Third Secret is the tense in which it is written.

Does the Madonna speak in the past, the present or the future? In the second part of the Secret, the Madonna was looking forward in time to future events. She uses the future tense. She uses the word 'will.' As in there 'will be an even worse war... He will punish...Russia will spread her errors... the good will be martyred... nations will be annihilated.'

In the third part of the Secret, the perspective changes. The Madonna showed the children a vision of a city half destroyed in war, corpses on the ground, and a murdered bishop in white, as if the children were viewing a past event. Jacinta once spoke about highways filled with people with nothing to eat.

The Madonna took the children forward in time in order to look back at what will have happened as a result of not following Her requests. The Madonna is no longer speaking about a thing which may or may not happen. The choice has been made. Our Fate has been sealed. The die has been cast. We have traveled far down the road of not having honored the Madonna's requests. No longer is it appropriate to speak in terms of 'If My requests are heeded.' The time of choice has past. It is as if She showed them a movie of a past event and spoke about it. The appropriate verb tense is pluperfect. Of a thing completed in the past.

Diamond: "Pluperfect. Now there is a word I have not heard since high school Latin." Cap: In the Third Secret, the Madonna is looking back at what will happen in our future.

## *Conditional*

Lucy is giving us a big clue when she says “The Secret ... conditioned by whether we accept or not what the Message itself asks of us.” She clearly indicates that the Secret involves a conditional expression. Lucy is saying that the Secret uses the word “if.” *The four criteria*

So, the first four lines of the Third Secret expressed above meet the four criteria in Lucy’s letter: The pluperfect tense. It is a conditional expression. It is the negative branch of the conditional expression. It ends in a punishment. A negative conditional expression about punishment in the pluperfect tense would look like the four lines above. Even if I am off about the exact words, I am not off by much.” *“Here are the first four lines:*

You saw the ruin of the world.

To prevent this, I requested Daily Rosary and the Communion of Reparations on First Saturdays. If people had attended to my requests, many souls would have been saved. Because they did not, the devil will have infiltrated the Church and mounted the throne of St Peter. “

Diamond: “Oh, my. Now a brief word from our sponsors. Come back to hear the next lines of the Third Secret of Fatima. “
