

2031 Rest of the Third Secret

Diamond: “Welcome back to Coast to Coast Radio, where we are listening to a well-supported version of the Third Secret of Fatima, by Professor Catherine O’Brien of St Louis University. Tell us, Professor, the rest of your version of the Third Secret.”

Cap: “The next line would be **‘There will be a Council.’** Cardinal Ratzinger told a friend that the Madonna warned that there would be an evil Council in the Church that would cause great scandal. I found this in an article by Father Paul Kramer. The article was titled ‘The Secret Warned Against Vatican Council II and the New Mass.’ⁱ Kramer says that Our Lady foresaw that the council would be misused.

Cardinal Oddi spoke with Sister Lucy in 1985. Afterward, he said that ‘In my opinion, what is written is that in 1960, the Pope would have convoked a council from which, contrary to his intentions, there would arise many difficulties in the Church.’ⁱⁱ So, in plain speech, what Oddi is saying is that the Secret says that the Pope will call a council of all the bishops, and that in that council grave mistakes will be made which affect the Church and will cause serious problems and loss of faith. He deduced from Lucy’s words that the Secret ‘preannounced some grave error.’

“Sister Lucy never said a positive word about Vatican II. If she had, she would have been quoted.

So, I think that logically the next line would be **“In which Cardinal will oppose Cardinal and Bishop against Bishop. The priests who revere me will scorned and opposed.”**

Demoted.

This phrase ‘Cardinal will oppose Cardinal and Bishop against Bishop’ exists in both the Neues Europa version and in the apparitions of Our Lady of Akita. It also fairly describes the ascendancy of progressives and modernists in Vatican II and subsequent events. In the ecclesiastical struggle for power in the era of Vatican II, the Madonna was demoted. People today have little appreciation of the loss of Marian Devotion which has occurred in the last fifty years. Rosary production dropped ninety percent in Italy in the decade following Vatican II.

The average Catholic is different today. In the 50's, Marian devotions would spill out into the streets. Even people who did not attend church on Sunday would attend the devotions.

“After the reference to the bishops would come the line ‘**They will alter the Mass and the teaching of the Church.**’

Pope Pius XII

Msgr. Eugene Pacelli, the future Pope Pius XII, made an astonishing prophecy on the future upheaval in the Church:

I am worried by the Blessed Virgin's messages to Lucy of Fatima. This persistence of Mary about the dangers which menace the Church is a divine warning against the suicide of altering the Faith, in Her liturgy, Her theology and Her soul. I hear all around me innovators who wish to dismantle the Sacred Chapel, destroy the universal flame of the Church, reject Her ornaments and make Her feel remorse for Her historical past.

A day will come when the civilized world will deny its God, when the Church will doubt as Peter doubted. She will be tempted to believe that man has become God. In our churches, Christians will search in vain for the red lamp where God awaits them. Like Mary Magdalene, weeping before the empty tomb, they will ask, ‘Where have they taken Him?’“ (Roche, Pie XII Devant L’Histoire, p. 52-53)

Odious in My Sight

In the field of prophecy, Marie Julie Jahenny, the Breton Stigmatist, is a figure of respect. She said that Our Lord spoke to her about a new mass, whose words would be ‘Odious in My Sight’

Catechism of Fatima.

If you look at what the Madonna says at Fatima, you could construct what could be called the Catechism of Fatima. The Madonna showed the children a vision of Hell. The children were terrified. The Madonna said that too many souls are being condemned for sins against her. It is much different than what is taught today. In the Fatima apparitions, there is a prominent concern about Hell. For the rest of her short life, Jacinta could not get over the vision of Hell.

However, in the Church today, Hell is not much spoken about. In fact, there is an attitude which favors universal salvation, which is the opposite of what the Madonna taught in her vision. The next line, **Altars will be stripped and churches will be sacked.**

Cap continued, “This is drawn from Our Lady of Akita. This has already happened figuratively. Churches were once places of beautiful architecture, statues, stained glass, magnificent altars, and ornaments. Now they tend to be denuded boxes.

In the Vision of the Bishop in White, there is a war in which the Pope is killed and then the Cardinals, Bishops, priests and clergy. In such a war, it is likely that churches will be physically sacked also.

The next line would be “**The beast will sweep a third of the clergy into his service.**” This is a reference to Revelation 12:4. “And his tail drew the third part of the stars of heaven, and cast them to the earth: and the dragon stood before the woman who was ready to be delivered; that, when she should be delivered, he might devour her son.”

Diamond: “Over the centuries, people have pondered the meaning of the Apocalypse. And you believe that the Apocalypse refers to the Fatima events?” Cap: “Yes. And so did Pope John Paul II. He gave a sermon at Fatima on May 13, 2000, on the Beautification of Francisco and Jacinta. He said “The message of Fatima is a call to conversion, alerting humanity to have nothing to do with the ‘dragon’ whose ‘tail swept down a third of the stars of heaven, and cast them to the earth.’ Man’s final goal is heaven, his true home, where the heavenly Father awaits everyone with his merciful love.”

John Paul II refers to “the message of Fatima” but nowhere else in the Fatima messages is this passage found. It can be reasoned therefore that the passage must be in the Third Secret. “The message of Fatima” would have been used as another name for the most famous message of Fatima which is the Third Secret. He was saying in effect that The Third Secret warns humanity against the dragon, who will sweep away a third of the clergy into his service.

Socci hypothesizes that a deal was struck in the Sacred Palaces between the pro and anti-Fatima sections, that would allow John Paul II to reveal the contents of the third secret indirectly, so that the astute would get the message and the Church could say in good conscience that the third secret had been in revealed. ⁱⁱⁱ “In the Book of Destiny by Father Herman Kramer, published in 1956 with an imprimatur, one third of the stars is interpreted to

mean that one third of the clergy will follow the dragon. One third of the consecrated souls will be in “the service of the devil, working to destroy the Church from within.” Father Kramer says that the image of one third of the stars of Heaven has been interpreted to refer to “bishops and eminent persons who fell under the weight of persecution and apostatized.”^{iv}

Supporters of the Devil

Sister Lucy also brings up the idea that numerous clergy were working for the devil, and not for Our Lady. In a letter in 1970, speaking of liberals and dangerous innovators in the Church, Sister Lucy says “We see how supporters of the devil work for evil and how they fear nothing.... They always go forward with intrepid audacity. “That one so humble as Sister Lucy has spoken so strongly suggests that she spoke about the Secret.

Diamond: “Where did you get the expression “the Beast”? Cap: “When John XXIII first read the Third Secret, there were a couple Portuguese expressions which he did not understand. He called them “abstruse locutions.”^v He summoned two Portuguese seminarians to interpret. It needs to be remembered that Lucy and her cousins were 10, 9 and 7 year-old shepherds at the time of the apparitions. These were colloquial expressions such as a ten-year-old shepherd would use. I think one of those abstruse expressions was the word beast or some local expression for the evil one. Or, bicho-papão which is roughly translated as malevolent bogeyman. This would have been a word, which children used to describe an evil spirit inhabitant of the lonely and wild hills.

Next, “**Rapacious wolves will drag many to hell.**”

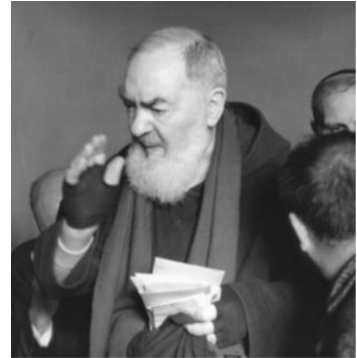

Padre Pio said in 1963 that ‘We have arrived at a compromise with atheistic materialism, denying the rights of God. This is the chastisement preannounced at Fatima... Christ came to bring to earth a perpetual alliance only with men of goodwill.... All of the forms of power made deaf to the will and the authority of the Heart of God are rapacious wolves who renew the Passion of Christ and cause the tears of the Madonna to pour forth.’

Diamond: “It sounds like Pio is saying that the Secret predicted that Church would compromise with atheistic materialism.” Cap: “Indeed, it does.”

Wolves

Cap continued, “In this passage, Padre Pio mentioned ‘Rapacious Wolves’ in connection with Fatima. That he uses such an unusual expression in connection with the message of Fatima suggests that the word Wolves may be found in the Third Secret. The paragraph above can be looked upon as a survey of the Third Secret. Padre Pio’s words intertwine with Sister Lucy’s. The two stories together speak about Pastors abandoning their flocks. One speaks of rapacious wolves. The other speaks of seizing the flock and dragging them down to hell. Sister Lucy was not allowed to use the word Wolves, because that would have been giving away too much.

Sister Aiello also said the Madonna used the words “rapacious wolves.”

Pope Benedict is much aware of the approaching encounter with the events predicted by the Madonna in the Third Secret. Benedict said in an interview that The Third Secret

had to do with future realities. ^{vi} At that point, he broke with the public position of the Vatican. Cardinal Bertrone claimed that the events of the Secret were behind us.

At his installation Mass, he said ‘Pray for me, that I may not flee in fear of the wolves.’ Socci said where did that come from? He implies that it could only come from one place, the Third Secret of Fatima.

In Sister Lucy’s letters can be found a recognition of the Great Battle between Satan and the Madonna. The themes include: Overcoming consecrated souls, souls abandoned by their leaders in the midst of wolves, the seizing of the unprotected sheep, and the dragging of souls to hell.

Speaking about the Decisive Battle between Mary and Satan, Sister Lucy said “Father, the devil is in the mood for engaging in a decisive battle against the Blessed Virgin. And, the devil knows what it is that most offends God, and which in a short space of time will gain for him the greatest number of souls. Thus, the devil does everything to overcome souls consecrated to God because in this way, the devil will succeed in leaving the souls of the faithful abandoned by their leaders, thereby the more easily will he seize them.”

This would be the other “abstruse expressions” which the pope did not understand. The children were familiar with the connection between sheep and wolves and had a real first-hand fear of them.

Diamond: “So you are suggesting that the Madonna spoke to the children with images they could understand, like wolves.” Cap: “Correct. The Madonna spoke about wolves.”

Drag to Hell.

“Sister Lucy continued, ‘Religious and priests who fall away from their beautiful vocation drag numerous souls to hell.’” The Madonna herself uses the expression “many souls go to Hell”.

Final Impenitence.

Lucy said that “The devil wishes to take possession of consecrated souls. He tries to corrupt them in order to lull to sleep the souls of laypeople and thereby lead them to final impenitence.” Sister Lucy added that “Our Lady was always sad” for the loss of souls.

Diamond: “Now a brief word from our sponsors. Come back to hear the rest of the Third Secret of Fatima.”

Diamond: “Welcome back to Coast to Coast Radio, where we are listening to a well-supported version of the Third Secret of Fatima. Professor O’Brien, tell us the rest of your version of the Third Secret.”

Cap: “Just about everybody agrees on one line in the third secret. **“In Portugal, the Dogmas of the Faith will always be preserved, but elsewhere they will be lost.”**”

The following is drawn from Frere Michel’s *The Whole Truth about 16 Fatima*.

We can do no better than to quote Father Alonso’s judicious commentary here:

“In Portugal, the dogma of the Faith will always be preserved”: The phrase most clearly implies a critical state of Faith, which other nations will suffer, that is to say, a crisis of Faith; whereas Portugal will preserve its Faith.”

Terrible things.

Father Alonso, the Fatima Archivist, said that “In the period preceding the great triumph of the Immaculate Heart of Mary, terrible things are to happen. These form the content of the third part of the Secret. What are they? If ‘in Portugal the dogma of the Faith will always be preserved’ ... it can be clearly deduced from this that in other parts of the Church these dogmas are going to become obscure, or even lost altogether. Thus, it is quite possible that, in this intermediate period which is in question (after 1960 and before the triumph of the Immaculate Heart of Mary), the text makes concrete references to the crisis of the Faith of the Church and to the negligence of the pastors themselves.” Then Cap read the next line.

Next line, **When the sky is illuminated by an unknown light, know that this is the Great Sign that God gives that he is about to punish the world.**

This is nearly identical to the language about the great sign in the second secret which says “When you see a night illuminated by an unknown light, know that this is the great sign that God gives you that He is about to punish the world by means of war, hunger, and persecution of the Church and of the Holy Father.” Almost verbatim, except for one change. It is the world which will be illuminated this time, not just the night sky of Europe.

The great sign of the second secret was a foreboding deep red borealis in the night sky over Europe. Lucy saw the red sky and recognized it as the Madonna’s sign that World War II was about to break out. Interestingly, Hitler saw the same red sky from his forest retreat. He told his

guests that it was an omen. Up to that time, they had been successful through diplomacy. Now the time had come to shed blood.

Diamond: "I have heard that story about Hitler. I didn't not know that it had a Fatima connection." Cap: "Yes. If you believe Lucy, it was all about Fatima."

Signum Magnum

In Apocalypse, it is written: 'A Great Sign will appear in the sky. A Woman clothed with the Sun, with the moon beneath her feet and a crown of twelve stars on her head.' Malachi Martin read the Third Secret while he was an assistant of Cardinal Bea in 1960. He said that John Paul II is 'waiting, rather, for an event that will fission human history, splitting the immediate past from the oncoming future. It will be an event on public view in the skies, in the oceans, and on the continental landmasses of this planet. It will particularly involve our human sun, which every day lights up and shines upon the valleys, the mountains and the plains of this earth for our eyes. But on the day of this event, it will not appear merely as the master star of our so-called solar system. Rather, it will be seen as the circumambient glory of the Woman whom the apostle describes as clothed with the sun and giving birth to a child who will rule the nations with a scepter of iron.'^{vii}

What Martin is saying is that there will be a fission event in the sun, a large flare, which will fill the sky with light. The Sun will explode.

Diamond: "So, you are predicting that the Sun will explode." Cap: "Not just me. John Paul II knows that there will be a great illumination of our sun, because the Third Secret says so. He has studied Sister Lucy's notebooks and they give more information about the event. At one time, Pope John XXIII, the pope of 1960, referred to Sister Lucy as a "graphomaniac". John Paul II, in contrast, took her seriously."

There will be Warning

"Martin goes on to say 'He (John Paul II) has to admit that he, like everybody else, is in the dark as to when it will occur, although he does know some of the horrific details of that worldwide catastrophe. He knows also that it will not come without prior warning, but that only those already renewed in heart - and that would probably be a minority - will recognize it for what it is and make preparations for the tribulations that will follow.'^{viii}

Next line, Fire will fall from the sky.

This is a quote from Our Lady of Akita. The Madonna used these very words in speaking to Sister Sasagawa. 'As I told you, if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity. It will be a punishment greater than the deluge, such as one will never have seen before... Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful.' "ix

Chastisement by fire

Recently beatified Sister Elena Aiello was told by the Madonna that 'Once there was the chastisement by water, but if there is not a returning to God, there will come the chastisement by fire, which will cover the streets of the world with blood.'

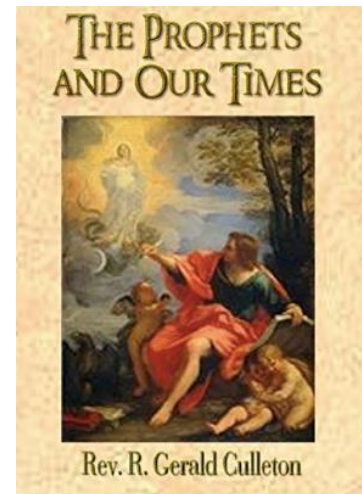

Diamond: "I never knew there was so much catholic prophecy about fire falling from the sky." "Yes. As far back as the second century, there was a pastor named Hermes who predicted that the world would be cleansed with water and then fire in words which describe our times. He is quoted by Rev Gerald Culleton in Prophets for Our Times. And there are others."

Russia submerged in fire.

To Sister Aiello, Our Lady said 'See how Russia will burn!' Sister Aiello said 'Before my eyes, there extended an immense field covered with flames and smoke, in which souls were submerged as if in a sea of fire!'"

Fire from the hands of Angels

Aiello also said 'And all this fire,' concluded the Madonna, 'is not that which will fall from the hands of men, but will be hurled directly from the Angels (at the time of the great chastisement or purification that will come upon the earth). Therefore, I ask prayers, penance and sacrifice, so I may act as Mediatrix for my Son in order to save souls.'" Therefore, I ask prayers, penance and sacrifice, so I may act as Mediatrix for my Son in order to save souls."

Sea of Fire will descend

“Aiello said at another time ‘An unforeseen fire will descend over the whole earth, and a great part of humanity will be destroyed. This will be a time of despair for the impious: with shouts and satanic blasphemy, they will beg to be covered by the mountains, and they will try to seek refuge in caverns, but to no avail. Those who remain will find God’s mercy in my power and protection, while all who refuse to repent of their sins will perish in a sea of fire!’”

Those who remain will find God’s mercy in my power and protection, while all who refuse to repent of their sins will perish in a sea of fire!”

Russia completely burned

The Madonna told Aiello ‘Blessed are those who at this time may be called truly devoted to Mary! My name is locked in your heart, my daughter. . . Russia will be almost completely burned.’ “

Chapter 8 in Apocalypse

Once, when Sister Lucy was pressed by an interviewer about the contents of the Third Secret, she said that “It’s in the Gospel and in the Apocalypse, read them.” At another time, she referred to Chapter 8 through 13. Chapter 8 introduces the Golden Censor and the Seven Trumpets.

The Golden Censor and Fire Cast on Earth.

An angel who stood before the altar of God with a golden censor “took the censor, and filled it with the fire of the altar, and cast it on the earth, and there were thunders and voices and lightnings, and a great earthquake.”

The First Trumpet is about fire falling from the sky.

First Trumpet is about fire falling from the sky. If Lucy says that the Third Secret invokes Chapter Eight, then there is good reason to suppose that fire will fall from the sky.”

Next line is **Oceans will flood and turn to steam. Millions will lose their lives from one moment to the next.**

In 1981, while speaking in Fulda, Germany to a group of intellectuals, John Paul II responded to questions about the Third Secret. He said that Lucia's text does speak of chastisements. In response to another question, he stated that 'the chastisements cannot be averted, it is too late.' He stated that 'the die was cast. [The chastisements] can be mitigated by praying the rosary.' When asked, 'What about the Third Secret of Fatima? Should it not have already been published in 1960?' John Paul's reply was, 'Given the seriousness of the contents, my predecessors... preferred to postpone publication so as not to encourage the world power of Communism to make certain moves. On the other hand, it should be sufficient for all Christians to know this: if there is a message in which it is written that the Oceans will flood whole areas of the earth and that from one moment to the next millions of people will perish, truly the publication of such a message is no longer something to be so much desired.'^{x xi} Aiello said that 'Some nations will be purified, while others will disappear entirely.'"

Diamond: "Didn't the Neues Europa version say something about oceans?" Cap: "Yes, and it added that 'Millions and millions of men will lose their lives from one hour to the next.' Almost the same words as John Paul II. It is going to be very difficult.

Diamond: "What about the steam?". Cap: "When the Ring of Fire erupts, the volcanos will generate thousands of columns of steam. If rifts appear across the ocean floor, there will be long cross crossing lines of steam.

Oceans of Steam

The exciting thing is that oceans of steam is not something that anyone would have made up. It would come only from someone who was seeing it or reading about in the notebooks. Oceans of Steam and the foam rising to the sky points uniquely to the seafloor being on fire. The secret says oceans, in the plural. Multiple oceans will be breaking apart and on fire. Deep cracks in the earth would appear all over the planet. Which agrees with Lucy's description of the axis of the earth being touched by an angel and becoming destabilized. The earth wobbles and the crust breaks. Cracks appear all over.

But, there is more to the story about steam. The idea of Oceans of Steam touches on a theory called Expanding Earth. From time to time, the Earth is alleged to go through periods of expansion. There is no mechanism to explain that much steam except a shattered seafloor or an expanding earth episode.

Next, If the Holy Father had Consecrated Russia to My Immaculate Heart, the world would have been converted and there would have been peace.

This is the second of the Madonna's two requests. It is the second of two conditional expressions.

Next line, **because he did not, the Holy Father will be killed and the Faithful will be martyred.**

This is directly from the Vision of the Bishop in White, which the Vatican has released. Aiello said that 'Russia, spurred on by Satan, will seek to dominate the whole world and, by bloody revolutions, will propagate her false teachings throughout all the nations, especially in Italy. The Church will be persecuted and the Pope and the priests shall suffer much.' 'Oh, what a horrible vision I see! A great revolution is going on in Rome! "'

Russia will overrun Europe.

"Sister Aiello said that "Russia with her secret armies will battle America. Will overrun Europe."
^{xii} Werdenberg says that America and Canada will be devastated.

Russia is dominant in the Third Secret.

Cardinal Ottaviani said in 1957, "If there was one dominant element to the Third Secret, it is Russia." One of the lessons of Mary's apparitions at Fatima is that war is a punishment for sin. If you put those two ideas together, that Russia is a prominent actor in the Secret and that war is a punishment for sin, then they add up to Russia going to war.

Russia will be God's chosen instrument of Chastisement.

In the Fuentes interview of 1957, Sister Lucy said that "Russia will be the instrument of chastisement chosen by Heaven to punish the whole world if we do not beforehand obtain the conversion of that poor nation."

Disappearance of Nations.

Sister Lucy said "Tell them, Father, that many times the Most Holy Virgin told my cousins Francisco and Jacinta, as well as myself, that many nations will disappear from the face of the earth.

Diamond: "Wait a minute. You think that Russia is going to go to war against Europe and America?" Cap: "That is the picture you get if you put all the pieces together." *The War to come.*

In 1945, Sister Lucy let it be known that Jacinta's vision of a suffering pope, war and hunger belonged to the future. Sister Lucy recalled Jacinta's vision. "Another time, (Lucy writes) we went to the cave called Lapa do Cabeco. As soon as we got there, we prostrated on the ground, saying the prayers the Angel had taught us.

After some time, Jacinta stood up and called to me: "Can't you see all those highways and roads and fields full of people, who are crying with hunger and have nothing to eat? And, the Holy Father in a church praying before the Immaculate Heart of Mary? And, so many people praying with him?" ^{xiii}

Some days later, she asked me: "Can I say that I saw the Holy Father and all those people?" "No. Don't you see that that's the part of the Secret? If you do, they'll find out right away." "All right! Then I'll say nothing at all."

Another time, Lucy said that 'One day I went to Jacinta's house to stay a little while with her. I found her on the bed, very pensive. "Jacinta, what are you thinking of?" Jacinta replied, "About the war which will come. So many people will die. And, almost all of them will go to hell." Sad and weighed down by the thought of so many going to hell, Jacinta said "We must pray a lot to save souls from Hell. So many go there. So many. ... So many people fall into hell. So many are in Hell.' ^{xiv}

Jacinta's vision of the Holy Father praying to the Immaculate Heart suggests the Consecration of Russia. Socci said that 'The Third Secret will be revealed during a great war.' ^{xv} So, there will be a war and during that war, the Secret will be revealed and Russia will be Consecrated.

Sins of Impurity

"Aiello said that 'Russia will march upon all the nations of Europe, particularly Italy, and will raise her flag over the Dome of St Peter's. Italy will be severely tried by a great revolution, and Rome will be purified in blood for its many sins, especially those of impurity! The flock is about to be dispersed and the Pope must suffer greatly!' Next, **all that is standing will be cast down.**

Cap: "Neues Europa, in the most reliable paragraph, says 'All that is standing will be cast down.' Ezekiel speaking of the great earthquake in the last days, said that every wall will collapse and every monument fall down. There is going to be a great shaking. Jahenny said the earth will quake for days upon end. She says 'Everything must be lost from top to bottom.'

Next line, **the suffering will be worse than the deluge. The survivors will envy the dead.**

From Akita. "The survivors will find themselves so desolate that they will envy the dead." Neues Europa uses almost the same words.

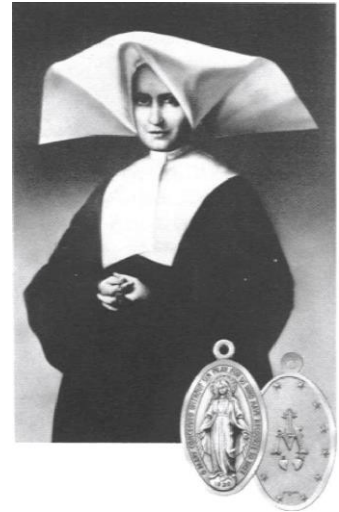

When all seems lost, I will raise up a Holy Father who is dear to me and the world will be made new.

The good news is that there is a happy ending to the Third Secret. After the tears and the sorrows, there will arise a better world than before. God will pour out His Spirit upon all flesh. There will be a new earth.

"When all seems lost". Our Lady used those words in speaking to St Catherine Laboure, "The moment will come, the danger will be great, it will be thought that all seems lost. Then I will be with you."

Jahenny "When everything seems lost...then will be the time of victory. It will be the time when all the crimes and impieties fall back on those who committed them."

"All will seem lost and paralyzed. This, then, will be the happy beginning of the complete restoration." (Our Lady of Good Success – Prophecies for Our Times, 1st Edition, pg. 51)

Diamond: "If you would, read the Secret from beginning to end."

Cap: Here is the Third Secret as I have been able to reconstruct it.

You saw the ruin of the world. In order to save the world, God wished to establish the Communion of Reparation on the First Saturdays.

If the Holy Father had done so, many souls would have been saved. Because he did not, the devil will infiltrate the Church and mount the throne of St Peter. There will be a Council in which Cardinal will oppose Cardinal and Bishop against Bishop. The priests who revere me will be scorned and opposed. They will alter the Mass and the teaching of the Church. Altars

will be stripped and churches will be sacked. The beast will sweep a third of the clergy into his service. Rapacious wolves will drag many to hell. In Portugal, the Dogmas of the Faith will always be preserved, but elsewhere they will mostly be lost.

When the world is illuminated by an unknown light, know that this is the great sign that God gives you that He is about to punish the world with earthquakes, floods and famine. Fire will fall from the sky. Oceans will flood and turn to steam. Millions will lose their lives from one moment to the next.

If the Holy Father had Consecrated Russia to My Immaculate Heart, the world would have been converted and there would have been peace. Because He did not, The Holy Father will be killed and the Faithful will be martyred. A war will begin in the reign of Peter II. Russia will overrun Europe. All that is standing will be cast down. The suffering will be worse than the deluge. The survivors will envy the dead.

When all seems lost, I will raise up a Holy Father who is dear to me and the world will be made new.

Cap said "There you have it. That is my version of the Third Secret of Fatima.

Diamond: "There you have it my friends. I and my predecessors in this program have been hearing versions of the Third Secret for thirty years. And, I must say that this is the best supported version we have heard.

Join us tomorrow when we will hear claims that there are ruins of a lost civilization on the moon and that NASA is holding back."
